

REMARKS

Upon the entry of this preliminary amendment, claim 1 will be pending in this application.

The present application is a continuation of application serial number 09/546,596 (filed April 12, 2000) and asserts the same priority claims to earlier filed applications as that of application serial number 09/546,596. Accordingly, the paragraph on page 1, lines 4-28, of the present specification has been replaced with a paragraph that recites the priority claim listed on the enclosed USPTO filing receipt mailed June 27, 2000 for application serial number 09/546,596.

Accordingly, Applicants assert that the pending claim is in condition for allowance, and respectfully request notification to that effect. Should the Office have any questions, Applicants invite the Office to contact the undersigned at (215) 665-2158 to discuss any issues unresolved by this Amendment. A Notice of Allowance is earnestly solicited.

Respectfully submitted,
